

GENESIS POWDER COATING[®]

www.genesispowder.com

We Offer Comprehensive Product Range

We offer a wide range of high-quality powder coating products for both interior and exterior applications across various industries, furniture, appliances, automotive, switchgear, architectural aluminium industry and functional coatings for pipe and rebar.

Polyester Architectural *PA Series*

- High UV protection & color stability
- Exceptional exterior durability & weather resistance
- Backed with International Certificate

Pure Polyester Powder *PP Series*

- Very good exterior durability
- Excellent over bake resistance
- Available in a variety of colors & finishes

Epoxy Polyester Powder *MX Series*

- Good chemical & mechanical properties
- Recommended for indoor applications
- Offered in wide range of finishes & colors

ZincoPrime *Primer Series*

- ZincoPrime provides excellent resistance to corrosion
- Excellent inter coat adhesion
- Very good degassing properties

Antimicrobial Coating *AM Series*

- Genesis Antimicrobial technology for hygienic system
- Provides protection against microbial growth
- Recommended for exterior and interior applications

Ultra Low Bake Coating *ULB Series*

- Specially designed product for MDF coating
- Significant saving to time & energy
- Environmental friendly, no solvent emission

Polyester Super Durable *PS Series*

- Excellent color and gloss retention
- Guaranteed performance for exterior durability
- High performance durability for architectural coatings

Fusion Bonded Epoxy *FBE Series*

- Designed for pipeline and rebar coating
- Excellent adhesion & anti-corrosion properties
- Exceptional chemical & abrasion resistance

The Highest Quality!

We use best quality raw materials and make use of a high-level technology in order to produce excellent quality powder coating products; which provide exceptional coverage and the most elegant quality finishes.

Consistent Quality, Innovative Creations

**We are committed in supplying
high quality powder coating products
to suit your needs.**
